DRIVER PERFORMANCE & COMMUNITY STANDARD

Driver Performance

We strive to continually upkeep the community to ensure that it is trustworthy, like-minded and respectable. In order to do so, our app will monitor the driver-partner’s performance via the following metrics – driver ratings, cancellation rates, reviews and account activity, etc.

Conditions where driver accounts will be temporarily disabled:

Driver Rating (DR)	< 4.80
Cancellation Rate (CR)	> 17.5%
Adverse Ratings	Drivers who receive poor ratings for errant behaviour. Eg. racist, ethnicity, national origin, disability, etc.
Min. Acceptance Rate (AR)	We do not have a minimum AR criteria
Fraudulent Activity	Drivers who overcharge riders and/or complete the trip without the rider on board
Dormant Account	Did not complete at least one trip within a 12 month period

Account Disablement

You play an extremely important role in providing a great experience for riders. Although we do not have a minimum trips or Acceptance Rate (AR) criteria, any of the following may result in your account being disabled:

Driver Rating (DR)

The driver's rating is calculated based on his/her last 100 trips to ensure that it reflects the driver's recent performance. All new drivers will have a new default rating of 4.90 and will be adjusted after the 11th unique review. Please allow up to 7 working days for the update to be reflected.

High Cancellation Rate (CR%)

The driver's Cancellation Rate will be calculated based on his/her most recent trips. The driver's Cancellation Rate will increase after a driver accepts a trip booking and cancels. We strongly advise drivers to only accept jobs that they can fulfil.

In the case of rider no-shows, drivers can still cancel the trip. Drivers do not have to worry about accounts being disabled from trip cancellations. Our app algorithms will look at the driver's most recent trips. As long as the driver continues accepting trips, his/her account will not be disabled from cancellations.

Fraudulent Activity

Drivers who are found to have overcharged riders or completed trips without the rider onboard may face account suspension. The Ryde Driver app is equipped with Artificial Intelligence (AI) algorithms that automatically detect and flag suspicious activity.

Any incentives, bonuses, or rewards claimed through such misconduct will be forfeited. We take such matters seriously to ensure a fair and trustworthy platform for all users.

Inactivity

All driver accounts must be active in the past 12 months, that is to complete at least one trip within a 12 month period. This is to ensure that the drivers on Ryde remain active. We want to prevent compromised driver accounts and eliminate fraud risks.

Reporting To Government Authorities

Ryde enforces a strict zero-tolerance policy against fraudulent activity to uphold the integrity of our platform and ensure compliance with government regulations. Any suspected fraudulent or misleading activity may result in immediate temporary suspension pending investigation, and if confirmed, may lead to account suspension, forfeiture, and/or reversal of payments, incentives, bonuses, vouchers, or rewards, as well as reporting to the relevant authorities.

Fraudulent behavior may take many forms. This includes, but is not limited to:

1. Overcharging riders or manipulating fares
2. Completing trips without the rider onboard
3. Misrepresenting trip or rider details to obtain incentives
4. Submitting false documents or declarations
5. Using another person's account or allowing others to use your account
6. Attempting to bypass platform policies or system checks

Where Ryde reasonably suspects serious or repeated violations, it may report such conduct to government agencies such as the Ministry of Manpower (MOM), Land Transport Authority (LTA), Inland Revenue Authority of Singapore (IRAS), and the Central Provident Fund Board (CPF Board). These agencies may take enforcement actions, including license revocation, financial penalties, or legal prosecution, which may result in possible imprisonment.

We expect all driver-partners to operate responsibly and lawfully. Ryde is committed to investigating all reports of misconduct fairly and impartially. Driver-partners will be given the opportunity to respond before final decisions are made, except in urgent or high-risk situations. Repeated or severe breaches may lead to permanent suspension from the Ryde platform.

Account Restoration

All disabled driver accounts will be sent an electronic invoice to their registered email address to pay a \$10 processing fee (excluding GST). Driver accounts will be restored within 48 hours of payment. Upon account restoration, the driver ratings will be reset to the default settings.

Disabled Accounts

Repeated failure to abide by Ryde community standards will lead to permanent disablement from the Ryde platform. This is to ensure we uphold high standards and offer a good user experience for our community.

If your driver account has been disabled, you may still request for Standard Cash Out. To do so, you may submit a request [here](#). Please note that the account will be subjected to investigation for fraudulent activity before the amount is processed (5 working days excluding Public Holidays). Your driver account will remain disabled. You will be subjected to a \$10 processing fee (excluding GST) if he/she wishes to continue driving with Ryde.

Account Restoration

All disabled driver accounts will be sent an electronic invoice to their registered email address to pay a \$10 processing fee (excluding GST). Driver accounts will be restored within 48 hours of payment. Upon account restoration, the driver ratings will be reset to the default settings.

Dormant Accounts

Drivers who are unable to log in after 12 months of inactivity must appeal by writing in to support@rydesharing.com. Drivers will need to pay a processing fee of \$10 (excluding GST) for restoration. Driver ratings and cancellation rate will reset to 4.90 and 0% respectively. Please allow up to 48 hours for processing upon successful appeal.

Closed Accounts

Driver accounts will be de-activated upon three years of inactivity from the date of the last completed trip.

Should you wish to drive on the Ryde platform again, you would then have to write in to support@rydesharing.com to obtain the approval from the Operations Team to create a new driver account. Criteria for approval include, but is not limited to, your track record of conduct that is in line with our driver community standards. Please allow up to 7 working days for approval.

Do**ENSURE YOU ARE WELL RESTED**

Different individuals have different thresholds of fatigue that they can handle. Before hitting the road, ensure that you have at least 7-8 hours of uninterrupted rest so you are alert and reactive.

**ADOPT THE CORRECT DRIVING POSITION**

Adjust your seat so that you will have an unobstructed view. Adjust your seat forwards / backwards so your knees are slightly bent when your foot is on the pedal. Ensure that your seat belt is on at all times when you're on the road!

**ADAPT TO CHANGING ROAD CONDITIONS**

The conditions of the road are ever-changing and can be subject to factors such as the weather or obstructions. Remember to adjust the way you drive accordingly. In the event of rain, drive slower, keep your distance and avoid making sharp turns.

**ANTICIPATE HAZARDOUS SITUATIONS**

It is important to constantly be alert to your surroundings and wary of potential hazards. Always anticipate and be on the lookout for erratic behaviour so that you can react accordingly. In addition, please remember to check your blindspot!

**KEEP YOUR DISTANCE**

In ideal weather, ensure that you drive at least 3 seconds behind the vehicle in front. In the event of rain, you should be at least 9 seconds behind the front vehicle, to account for the slippery road.

Do**EXPECT OTHERS TO MAKE MISTAKES**

You may have signalled your intention, but that doesn't mean other drivers will automatically give way to you, so watch before changing lanes. When it comes to intersections, be prepared for drivers or pedestrians running a red light, and be ready to react. Don't move just because the light is green for you.

**ALWAYS HAVE A WAY OUT**

In the event your path of travel is suddenly blocked, leave yourself an alternate route for your vehicle to move. To avoid being blocked by other vehicles, make sure you don't follow other cars too closely.

**LOOK AT THE BIG PICTURE AND BE ALERT**

Always keep an eye on the road and your surroundings to identify potential hazards. Stay alert and react safely to unforeseen situations. Stop at a safe place and take a short break before continuing if you feel tired or sleepy while driving.

**HANDLE RYDESEND PACKAGES WITH CARE**

Ensure items are delivered in the same condition they were picked up in. Do not tamper with them. Upload clear photos at each stage of the trip to prevent disputes!

Don't

DRIVE IF YOU ARE TIRED OR EMOTIONAL

Do not get behind the wheel if you are not in a fit state to do so. You may be putting your own life and that of others at risk.

DRIVE ERRATICALLY

Be courteous on the road. Always signal your intentions and do not engage in reckless behaviour such as speeding, tailgating and the sudden cutting of lanes.

DRIVE UNDER THE INFLUENCE OF SUBSTANCES THAT IMPAIR JUDGEMENT

Do not drive after having consumed alcohol or medications that induce drowsiness.

AVOID PERSONAL CONVERSATIONS

THANK YOU
